PALLETIZING INNOVATIONS

Model FL200

The Model FL200 floor level palletizer is the first of our HD Series heavy-duty hydraulic palletizers. Fully upgradeable to higher speeds, the modular design and floor-level elevation makes the FL200 a convenient and efficient way to automate your palletizing line. The FL200 palletizes 20 cases per minute or more, depending on case size and pallet pattern. Like all heavy-duty Columbia Machine palletizers it has a reliable welded frame that is "built to last" and is EASY TO OPERATE.
