

Model HL2000

Columbia PALLETIZING INNOVATIONS

The Model HL2000 high level palletizer provides a high-quality choice for budget minded operations. Featuring a small footprint of 7'x 14', soft product handling, and standard side retainers for load squaring. The HL2000 is an excellent solution for low speed; multiple line layouts that require dedicated machines on a 13' centerline. The HL2000 palletizes 20 cases per minute or more, depending on case size and pallet pattern. Like all heavy-duty Columbia Machine palletizers, it has a reliable welded frame that is "built to last" and is EASY TO OPERATE.
