

Model HL4000

Columbia PALLETIZING INNOVATIONS

The Model HL4000 high level palletizer is built completely modular, allowing this rugged machine to be upgraded to double your production capacity without losing your initial investment. The HL4000 palletizes 40 cases per minute or more, depending on case size and pallet pattern. Like all heavy-duty Columbia Machine palletizers, it has a reliable welded frame that is "built to last" and is EASY TO OPERATE.

FEATURES:

- Fully automatic - includes pallet dispenser
- UL approved or CSA Certified control panel
- Easy-to-operate (ETO)
- Reliable - Columbia has over 65 years in the industry
- Online parts ordering @ www.palletizing.com
- Stacks cases, trays, bundles, film only, display packs and more
- Flexible, modular layout
- Full row storage
- 24-Hour parts and service hotline (800-628-4065)
